**VIA ELECTRONIC FILING**

The Honorable Joseph J. Farnan, Jr.  
United States District Court for the District of Delaware  
844 King Street  
Wilmington, Delaware 19801

**Re: Nokia Corporation and Nokia Inc. v.  
Interdigital Communications and Interdigital Technology Corporation  
C. A. No. 05-16 (JJF)**

---

Dear Judge Farnan:

We have reviewed Nokia's opposition to Interdigital's request that this case be designated as complex. Although we note that Nokia's filing was late pursuant to LR 16, we will reserve our comments in response to Nokia's position until the scheduling conference (or teleconference) jointly requested by the parties in the proposed scheduling order and Mr. Blumenfeld's transmittal letter. Needless to say, we disagree with many of the characterizations in Nokia's response, but we will save those comments until the conference with Your Honor.

Respectfully,
